 **KRONE**

A close-up photograph of a metal trailer. A wooden beam is positioned horizontally across the trailer's frame. The beam has the word "KRONE" printed in blue capital letters, preceded by a blue logo consisting of a stylized 'K' inside a circle. The trailer's metal body is visible, showing several circular holes and two black straps with metal buckles. A small orange light is mounted on the trailer's frame. The trailer is parked on a grey, interlocking brick pavement. In the bottom right corner, a portion of a grey plastic container is visible.
